## CALL FOR PAPERS

The International Conference on Computing, Networking and Communications (ICNC), sponsored by the Technology Innovation Association, is a premier conference in the computer and communication fields. **ICNC 2024** will be held in **Hawaii**, USA, during **February 19-22 2024**. Perspective authors are cordially invited to submit original technical papers to the following areas:

- AI and Machine Learning for Communications and Networking
- Communications and Information Security
- Edge Computing, Cloud Computing, and Big Data
- Mobile and Wireless Networking
- Multimedia Computing and Communications
- Next Generation Networks and Internet Applications
- Network Algorithms and Performance Evaluations
- Optical and Grid Networking
- Signal Processing for Communications
- Social Computing and Data Mining
- Wireless Ad Hoc and Sensor Networks
- Wireless Communications

Papers should be submitted via EDAS. Prospective authors should prepare their manuscripts in accordance with the standard IEEE camera-ready format (double column, 10-pt font) as well as the requirement set in EDAS. The maximum length of an ICNC paper without over-length charge is FIVE (5) pages. Authors are allowed to pay for up to TWO (2) additional pages with over length charge. Submitted papers must not have been previously published in or under consideration for publication in another journal or conference. The organizing committee of ICNC 2021 reserves the right not to review papers that either exceed the length limit or have been submitted or published elsewhere. A submission must include a title, an abstract, keywords, authors and affiliations with email address.

All submitted papers will be reviewed by the TPC team and judged on originality, technical correctness, relevance and quality of presentation. An accepted paper must be presented at the conference. Each full registration covers up to two papers by an author. All accepted papers of ICNC (main program and workshops), after being presented onsite at the conference, will be included in the conference proceedings and submitted for inclusion in the IEEE Xplore Digital Library.
